Merriam-Webster's Collegiate® Dictionary

ELEVENTH EDITION

Merriam-Webster, Incorporated Springfield, Massachusetts, U.S.A.

A GENUINE MERRIAM-WEBSTER

The name Webster alone is no guarantee of excellence. It is used by a number of publishers and may serve mainly to mislead an unwary

Merriam-Webster™ is the name you should look for when you consider the purchase of dictionaries or other fine reference books. It carries the reputation of a company that has been publishing since 1831 and is your assurance of quality and authority.

itaking together the combined effect of \(\sim \) work and family life, they have no time for hobbies\()

Wange There is a persistent but unfounded notion that between can be used. There is a persistent but unfounded notion that between can be used only of two items and that among must be used for more than two. Between has been used of more than two since Old English; it is esp. appropriate to denote a one-to-one relationship, regardless of the number of items. It can be used when the number is unspecified (economic cooperation between nations), when more than two are enumerated (between you and me and the lamppost) (partitioned between Austria, Prussia, and Russia—Nathaniel Benchley), and even when only one item is mentioned (but repetition is implied) (pausing between every sentence to rap the floor—George Hiot). Among is more appropriate where the emphasis is on distribution rather than individual relationships (discontent among the peasants). When among is automatically chosen for more than two, English idiom may be strained (a worthy book that nevertheless falls among many stools—John Simon) (the author alternates among mod slang, clichés and quotes from literary giants—A. H. Johnston).

Detween-neas \(\cdot \) in an intermediate space or interval between-neas \(\cdot \) in \(\text{184} \) : the quality or state of being between two others in an ordered mathematical set

between-neas \(\cdot \) in \(\text{186} \) : at or during intervals between-whiles \(\cdot \) in \(\text{186} \) : at or during intervals between-whiles \(\cdot \) in \(\text{186} \) : at or during intervals between-whiles \(\cdot \) in \(\text{186} \) : at or during intervals between two therein an ordered mathematical set

1. \(\text{187} \) in \(\text{186} \) : at or during intervals between \(\text{188} \) in \(\text{188} \) : \(\text{187} \) in \(\text{187} \) in \(\text{188} \) in \(\text{187} \) in \(\text{188} \)

betwint and between adv or adl (1789); in a midway position; neither one thing nor the other Beu-lan buy and the one thing nor the other Beu-lan by and the other beu-lan buyan's Pilgrim's Progress

be-think \bi-\think, be-\w.-thought \-'thot\; -think-ling (bef. 12c) 1 a : REMEMBER, RECALL b : to cause (oneself) to be reminded 2 : to cause (oneself) to consider ba-tide \bi-\tid, be-\w' (12c) : to happen esp. as if by fate ~ w : to happen to : BEFALL — used chiefly in the phrase woe betide (wee ~ our name).
